WORKSHOP ON DRY STONE**
**October 1st - 3rd 2021, Konavle,
Croatia**

“Dry stone perspectives: challenges
after the UNESCO inscription”

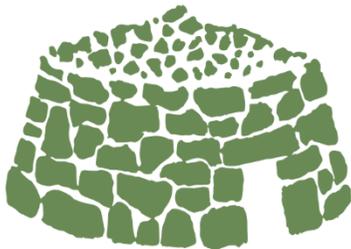

17° international congress on dry stone
KONAVLE 2021

Under the patronage of Croatian Ministry of
culture and media,
hosted by Konavle Municipality

Workshop: September 27th - 30th 2021
Congress: October 1st - 3rd 2021

PROGRAM

17° international congress on dry stone
KONAVLE 2021

PROGRAM

Sunday, Sep 26th

Arrival of workshop participants

Monday, Sep 27th - Thursday, Sep 30th

Location: Pločice village

International drystone workshop

Drystone professionals will work together with volunteers and enthusiasts, with guidance from "Kallokva", on a restoration of a damaged dry stone pond used by locals for agricultural irrigation. Prior to the workshop, organisers will drain it, clean it and transfer the living organisms to a bigger pond.

Wednesday, Sep 29th

Location: Pločice village

Local elementary school students' visit to the workshop pond site

Thursday, Sep 30th

Location: Pločice village

late afternoon: **Visit to workshop site**
